

Vedansh Tyagi

Student of NSUT'28
competitive coder

👤 Profile

Hi, I am a 2nd-year Computer Science student at Netaji Subhas University Of Technology, passionate about web development, AI/ML, and cybersecurity. I actively build projects, compete in coding contests, and love exploring new tech to grow as a developer.

🎓 Education

Btech, Netaji Subhas University of Technology

January 2024 — January 2028

12th graduate CBSE Board & , Nehru World School

January 2022 — January 2024

10th Graduate ICSE Board & , St. Paul's Academy

January 2010 — January 2022

★ Projects

Real-Time Intrusion Detection System

- Detects and block suspicious IPs with a dashboard to monitor real time network traffic

Personal Portfolio Website

- A fully responsive website to showcase personal projects, achievements, and skills.

★ Core Tech Areas

Web Developement

Nextjs, Reactjs, TailwindCSS, Nodejs, Expressjs, Flask

Python

Data science, AI/ML, REST APIs, Flask, Webscraping, Sockets

DBMS

MongoDB, MySQL

AI ML

TensorFlow, Keras, Jupyter, Colab
